After a Presidential or Secretarial emergency designation has been confirmed, the tribal government may submit a properly completed contract requesting approval of a region. All contracts requesting region approval must be submitted by the later of July 25, 2005, or 60 days after the end of the disaster period, whichever is later, as specified on the contract.

(e) The tribal government may request multiple feeding periods for up to three additional 90-day periods in a livestock feed crop year if disaster conditions did not diminish significantly and a livestock feed emergency continued and other conditions for payment are met.

(f) Tribal governments shall submit separate contracts for disasters occurring in both 2003 and 2004 calendar years; however, livestock owners shall elect only one of those years to receive benefits.

§ 1439.907 Eligibility.

Notwithstanding any other provision of this subpart, livestock leased under a contractual agreement that has been in effect at least 6 months prior to the beginning of the feeding period made under this subpart shall be considered as being owned by the lessee for that part of the feeding period in which the lease was in effect but only if the lease:

(2) Provided for a substantial interest, as determined by the Deputy Administrator, in such livestock in the lessee, such as the right to market a substantial share of the increase in weight of livestock.

(d) To be eligible for benefits under this subpart, livestock owners must own or lease tribal-governed land in the approved delineated region, and have had livestock on such land at the time of disaster that is the basis for the region's designation.

(e) Eligible livestock owners shall be responsible for providing information to the tribal government that accurately reflects livestock feed purchases for eligible livestock during the feeding period. False or inaccurate information may affect the owner's eligibility.

§ 1439.908 Payment application.

(a) Except as provided in paragraph (d) of this section, payment applications from interested eligible owners must be:

(1) Submitted to the FSA county office where the tribal-governed land is administered, or to the tribal government, by the owner no later than a date announced by the tribe, such date being no later than the applicable date established in §1439.907(c);

(c) No approving tribal government member shall review and approve a payment application for any operation for which such member has a direct or indirect interest. Such payment application may be reviewed for approval by a member of the tribal government who is not related to the applicant by blood or marriage.

Payment applications for tribal-owned livestock shall contain an original signature of a member of the tribal government, signing as representing all owners of the tribal-owned livestock, who possesses the authority to sign documents on behalf of the tribe and shall be submitted to an office designated by the Secretary for approval.

(e) No payment application shall be approved unless the owner meets all eligibility requirements. Information submitted by the owner and any other information, including knowledge of the tribal government concerning the owner's normal operations, shall be taken into consideration in making recommendations and approvals. If either the payment application is incomplete or information furnished by the owner is incomplete or ambiguous and sufficient information is not otherwise available with respect to the owner's farming operation in order to make a determination as to the owner's eligibility, the owner's payment application, as specified by CCC, shall be denied. The tribal government shall be responsible for notifying the owner of the reason for the denial and shall provide the owner an opportunity to submit additional information as requested.
